AMEND Senate Bill No. 377

House Bill No. 129*

by deleting all language after the enacting clause and by substituting instead the following:

SECTION 1. Tennessee Code Annotated, Section 55-16-109, is amended by adding the following as a new subdivision (c):

(c)

(1) Any demolisher who purchases or otherwise acquires a motor vehicle for purpose of crushing, compacting or similarly processing such vehicle shall maintain records of all such transactions together with records of the disposition of such vehicles and parts and, upon request of the department of safety or any other law enforcement officer, shall produce such records and permit such law enforcement officers, during regular business hours, to examine them and any vehicles or parts which are on the premises that are subject to the record keeping requirements of this subsection. No vehicle or vehicle part may be crushed, compacted or otherwise similarly processed except after compliance with this section.

(2) The records required by this subsection shall contain the name and address of the person from whom each such motor vehicle was purchased or received, a record of a driver license or other government issued photo identification of such person, and the date when such purchases or receipts occurred. These records shall also contain the vehicle identification number (VIN) or serial number of the vehicle, if it is available. Any record required by this subsection (c) shall be kept by the demolisher for at least three (3) years after the transaction.

SECTION 2. Tennessee Code Annotated, Section 55-16-109, is further amended by deleting the final sentence of subsection (b) and by substituting instead the following language:

Except as provided in subsection (c) below, any record required by this section shall be kept by the demolisher for at least one (1) year after the transaction to which it applies.

SECTION 3. This act shall take effect July 1, 2007, the public welfare requiring it.
